THE AMPHITHEATRE RINK

The management of the Amphitheatre extends a most hearty welcome to the hockey fans who through the years have been our patrons, and begs to assure them of our desire to serve them at all times.

Ever mindful of the welfare of its patrons, the management has always endeavored to give Winnipeg the very best in entertainment. During the coming season, which is expected to be bigger and better than ever, the staff of the Amphitheatre will strive to serve you to the very best advantage.

To the Press and Radio we extend a special word of thanks for their splendid co-operation and assistance. A great deal of credit that goes with the high standard of hockey played here can, in a large measure, be attributed to these men.

As the doors of the Amphitheatre swing wide open in friendly greetings as the 1952-1953 hockey season gets underway, we beg to assure the general public that a hearty welcome awaits them.

Gratefully yours,

JOHNNY PETERSEN, Manager.
